## Why a Christian Party?

The time has come for Christians of all denominations to stand up for their beliefs and resist the tide of secularism destroying our country. The Christian Party exists to fulfill this vital role. Under the leadership of Revd George Hargreaves, this non-denominational Christian political party provides a united Christian witness across the nation to ensure that the message of the Bible is heard and heard where it matters. The voice of the once mighty church may have been reduced to a mere whisper, but the Christian Party will not be – it will speak out and not be silent. Whatever your denomination or churchmanship, the time has come to unite and stand together for the Christian faith and all it represents. The more who join the Christian Party the louder our Christian voice will become. If you agree that this is so, it may be that God is calling on you to join together with other like-minded Christians throughout the country who are equally concerned about the state of the church and nation. Please read the statement of faith below and if you agree with it, **join us now!**

### Statement of Faith

1. We believe in one creator God, eternally existent in three persons, Father, Son, and Holy Spirit, as stated in the historic creeds of the Christian church.
2. We acknowledge Jesus Christ as Lord over all creation.
3. We believe the Holy Bible to be the inspired, infallible, written Word of God to whose precepts, given for the good of nations and individuals, all man's law must submit.
4. We believe all government to be under the authority of God and that the purpose of government is the maintenance of freedom and justice solely in accordance with biblical principles.
5. Jesus Christ will come again to the earth, personally, visibly and bodily to consummate history and the eternal plan of God.

### Statement of Purpose

The primary purpose of the Christian Party is to proclaim the Lordship of Christ. The party also exists to empower those who confess "Jesus Christ as Lord!" to serve him in the political sphere.
